

VinylFlex & GameFlex

Perfect for your multi-purpose recreation facility needs, VinylFlex and GameFlex floor systems are available in either a wood-like vinyl top layer or six vibrant colors. Their non-porous surface has a bactericidal and fungicidal treatment, making them extremely hygienic.

FEATURES

- Outstanding flooring solution for multipurpose rooms
- Realistic wood look with benefits of a synthetic floor
- Low maintenance costs, never needs refinishing
- Use in multipurpose rec facilities, health clubs
- Economical alternative to real wood flooring

SPECIFICATIONS
