### VENUS GROUP

Venus Group is a privately held family business founded in 1972, and headquartered in Orange County, California, with over 600 employees worldwide. At Venus, the utmost importance is placed upon the quality of our products to ensure that these products are designed and produced to meet the expectations of our customers. We do this with a winning combination of design, technical expertise, and our worldwide, state-of-the-art manufacturing facilities, while maintaining safe, responsible, and sustainable processes. Our in-house design studio in Foothill Ranch, award winning designers, and over 20 textile engineers worldwide ensure that the quality of our products are consistently maintained. They bring enormous value to our customers and our markets through innovative development and cost effective manufacturing. At Venus, we are committed to promoting business practices that are consistent with environmental policy and providing Smart Solutions for a Better World™. Our initiatives start with vertical manufacturing processes to inspire the development of innovative and smart eco-friendly consumer products.

### VENUS HOSPITALITY

The Hospitality division serves hotel companies, management companies, cruise lines, independent hotels, and time share properties domestically and internationally. Manufacturing from our own vertical mills in India, our joint venture partnership in several textile producing countries, and Foothill Ranch, CA, our textile products are designed and engineered to meet the needs of the hospitality market.

## Performance Twill®

## *Performance* **TWILL**® with INVICTUS TECHNOLOGY®

Venus Group's patented sheets made of premium cotton and textured polyester yarns provide the luxury, comfort and softness of cotton along with the strength, durability and easy care of polyester. Our sheets' unique combination of weave, pattern and thread density bring in superior dimensional stability and abrasion resistance to withstand rigorous wash and use conditions. Performance Twill® Stripe and Performance Twill® Solid have been wash and use tested over 200 commercial launderings without showing any evidence of pilling, linting or drop in tensile and tear strengths.
